Testimonial of

Capt. John Grant
Com. Capt. B. A.

This certifies that Mr. J. H. Gibson
whilst attending at the School of Design
some years ago at Richmond evinced
an unusual talent for drawing and
was certainly one of the most
promising pupil of the school.

Since then his attention has I know
been given to the usual course of studies
required for the profession of an Engineer.
From all I know of Mr. Gibson I hold
him in high esteem, and can confidently
recommend him as deserving full
Commencement as a Candidate for a
Commission in the Engineer Corps.

The Honourable

James A Seddon

Secretary of War

Dear Sir

I have heard that John H Gilmer goes
an applicant before you for a place in the engineer corps, and as I
have known him from his infancy I beg leave to say a word in
behalf of his application. He is a young man of excellent habits, correct
principles and good sense. There is nothing envious or spiteful either
in his mind, his principles or his conduct, but in some remarkable
for the steadiness and gravity of his deportment and conversation.
I know no young man in ^{whose} integrity and correct conduct I
have more confidence, and the only peculiarity about his mind
is a talent for drawing, which he exhibited when quite a boy.
I feel confident you cannot confer an appointment upon any
one more deserving of it, or who will more faithfully perform his
duties. In the late Yankee raid he lost his horse and all his
clothes except those he had on, and was for near three days con-
cented without food ~~around~~ in the midst of the Yankee pickets,
being, off nothing but the map which he had constructed.

Yours

Major General
of the Army

Early in the Spring of 1862, I was appointed an Assistant in the Engineer Service of the Confederate States. I served in this position until the last of May 63, when I had the honor to be appointed, Acting Quartermaster, in the 1st Regt of Engineer Troops. I immediately went, upon the discharge of the duties of this place, being during the latter part of each Missouri Campaign, in charge of the Pioneer Corps of Major Genl. Nathl. Shreve, &c.

Having served in both the Corps & the Troops, I feel compelled by the conclusions derived from my experience in each, to respectfully to apply for a transfer to, or an appointment in, the Corps.

I am not prepared to stop by any special service to the Troops, but I am obliged to it, principally, for reasons formerly given after repeated trials, that the present position of my health is unequal to a full discharge of the same which is a part of the service - much condition of health has resulted from the manual & constant exposure made in topographical duty in various places. I had a very short time after having had a very severe spell of Typhoid fever.

Your application I will have some personal views, but
the hope that our Superior Commission will be able to see
fully into the merits of the case and will give you
the time to explain your making it

Under the circumstances, I think I will be happy to
offer you with your favorable consideration

Very Respectfully

Dear Sir,

In reply to your letter I beg leave to state that I can certify as to the qualifications of your son as a soldier & officer. Having volunteered his services with the Wise Legion, he was appointed volunteer aid to Brig. Gen. W. H. Wise who assigned him at my request for duty with me. He accompanied me from Richmond City to the shores of the Pamunkey and Albemarle Rivers and back to Great Bridge, acting as circumstances required as aid or as a adjutant to a command constantly varying from three companies of artillery to four companies of artillery a Regt and a detached company &c. I found his services very valuable and could hardly praise too highly his intelligence, steadiness & activity, zeal & courage. He was with me during the attack on Cobb's point Battery (below Elizabeth City) and in the latter place at great personal risk was very useful in aiding to get off our train after the enemy were in possession of the town. In addition he is very good drill & fully qualified in my opinion for the positions of adjutant of a Regt, Lt. Col. or Captain of a company. It is very cheerfully desired that I furnish this testimony to his merits which I would have expressed more strongly if I had any idea that it could be of any use to him as he reserves

Dear Sir,

I am well acquainted with
John H. Gilman, Jr., he having been a member of
my Law Class during the past winter. He is
a young gentleman of most intelligent, high
spirit, & perfect integrity of character. His mid-
-dinary education, acquired at the Vth Military
Institute, of which Institution he is a recent
graduate, qualifies him perfectly for the scholastic
-tory discharge of the duties of a first lieutenant and
I recommend his appointment by the Secretary of War

with the highest respect

To the Hon J P Walker
Secretary of War

The undersigned members
of Congress from the State of Virginia
respectfully invite the attention of
the Secretary of War to the accom-
panying testimonials of the friends
of J H Gilmer Jr for a Captaincy in
the Army of the Confederate States.
The military education of Mr Gilmer,
his experience in the duties of the
camp and the concurrence of
all his brother officers belonging to
the battalion to which he is now
attached as proof of his qualifi-
cations for the office. The discharge of
all the duties incident to the com-
mand sought for him satisfactorily
established in the judgment of the un-
derigned, that the appointment of Mr
Gilmer in no way felt to be made

Sir,

The regret of course is to learn that it is not the intention of the War Department to confirm the appointments in the Provisional Army of Virginia made by His Excellency Governor Seward particularly so as it will exclude from the Service your son Second Lieutenant J. H. Gilmer Jr. who, by his professional skill and gallantry & officerlike conduct has won the esteem & approbation of all those with whom he has been associated since his attachment to this Post. And we would respectfully urge that some action may be taken by Congress which will secure the Services of this young gentleman to the Confederate States until our independence is secured.

Very respectfully yours

Reminiscences
 of
 the
 early days of the
 settlement

The first thing I remember
 was the excitement of the
 new settlement. We were
 pioneers in a new world,
 and every day brought
 new adventures and challenges.
 The land was fertile and
 full of promise. We worked
 hard to build our homes
 and communities. There was
 a sense of purpose and
 hope among us all. The
 future was bright, and we
 were determined to make
 it our own.

I remember the long days
 of labor, the cold winters,
 and the hot summers. But
 we persevered. We built
 a life out of nothing. We
 were proud of what we had
 achieved. We were pioneers,
 and we were proud of it.

The years passed, and we
 grew old. But the memories
 of those early days were
 still as fresh as ever. We
 were a special people, a
 people who had built a new
 world. We were a people
 who had made a difference.

I remember the days when
 we were young and full of
 energy. We were always
 looking for new adventures.
 We were always looking for
 new challenges. We were
 always looking for new
 opportunities. We were
 always looking for new
 dreams.

The years passed, and we
 grew old. But the memories
 of those early days were
 still as fresh as ever. We
 were a special people, a
 people who had built a new
 world. We were a people
 who had made a difference.

INDEX CARD OF CONFEDERATE RECORDS.
This card must not be taken from the film.

Mr. H. A. Gordon being about to leave this party it gives me pleasure to state that he has been a good and efficient Engineer. — Having plotted & reduced all of Mr. Gordon's work for the last seven months I can add that he is a good and accurate in the Field: the facility and neatness with which he traces and sketches a strange locality would render him very valuable for reconnaissance duty, while his true machine about attachments capacitate him for almost any service in the line of Civil Engineering.

In passing, Mr. C. H.

And I be a valuable assistant and
polished gentleman, it affords me real
pleasure thus to mention his past services
as well as to hope that he will attain
a more extended sphere of usefulness
in the future -

Spartanburg, S.C.

8 March 1863 - HC

Regarding appointment as
Engineer Service -

Handed in to me by Major
Curt of the C. & G. Dept. &
verbally acknowledged -

Maj. R. D. Lee }
My dear Sir. }

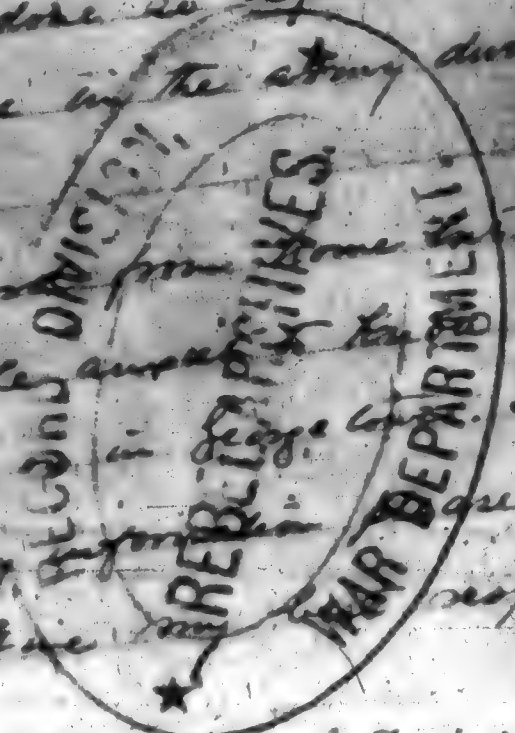

Rappahannock Co. March 5th 63

I have noticed in late papers that a Bill had passed the Senate to raise certain Regiments of Engineer Troops - & probably has passed the House also. - If possible I should like exceedingly to secure a Commission in one of them & think I would be able to discharge all ^{the} duties of the office. Having had some five months experience in Topographical Engineering, I think I am well posted in that branch. Now as you have on several occasions offered me your assistance, I apply to you for information on the subject. You would oblige me by sending me some information, and also by stating whether you think I could bring influence, through my friends, to secure me a Commission. Please state, also, how I should go to work to forward the matter.

Since seeing you last I have done a great amount of hard work - over mountains & muddy roads. Hope we will now have better weather for our work.

If I am not able to get a commission in one of the above mentioned Regiments, I intend to enter a cavalry company about May. Would have done so before, but did not wish to be in the army during the winter.

I have not heard from some of my old masters are going in Georgia. I have received any information you let me know.

To Mrs. Cox
Address Care Lieut C. J. Dwight -
Sperryville, Rappahannock Co. Va.

Yrs truly William H. Gordon, Jr.
P.S. Please ask Maj. Dadd if he has a letter for me. If so you will oblige me by forwarding it above address

Stanardsville, Trevi Co.

May 13th 1863-

My dear Major

I enclose you two letters from the officers of my party. If they will help my cause please use them. If not keep them for me, and should like to peruse them.

Mr. Smith, the gentleman in charge of this party, informed me on his return from Richmond, a few days since, that he had seen you, & that you represented my prospects of obtaining a commission as very fair. I wish you would write as soon as possible & tell me how matters now stand & when the appointments will probably be made. I fear it will give you much trouble, but the fact is that I wish to visit my relations in North Carolina before going into any active service. If the probabilities are that I will fail to receive a commission, I

will leave immediately, telling my horse
to wait in the mean while & then afterwards
go into cavalry. You will therefore oblige
me by answering this by next mail if
possible.

When you write give my respects to
Miss Cox & believe me

Yours truly

William Gordon

Enclosed I send you a certificate from Major J. B. White, the Sup't of this Institution, as to my proficiency and abilities.

A position in the Engineers Corps would be very agreeable to me indeed. I am, however, free to confess that my I am not predisposed to that arm of the service; still I know that diligence on my part, joined to my course of study, can effectually overcome any predilections I may have for a different branch of military science. The proffer of your aid to me in this respect, I, therefore, gladly accept, and will cherish and appreciate your exertions in my behalf, whether successful, or not.

If Col. Gilmer, who probably was at West Point with my father, prefers it in order to be more thoroughly satisfied of my proficiency, I will, at your

advised, come immediately to Richmond upon
my graduation on Wednesday next, the 15th
inst., and stand a thorough examination.

If you succeed in finding on file
the respective recommendations of Major
White, Genl's Jamieson and Jones, and Gov.
Bonham, together with my father's applica-
tion, endorsed by Genl's Holmes and Ma-
jor, and think they would have
any weight with Col. Gilmer, you can,
at your discretion, present them to him.

I will be in this city until next
Thursday evening, the 16th inst., when at 7^{1/2}
o'clock P.M., I will leave for Laurens, via
Columbia, unless I receive from you
a telegram, couched simply "Come".
In that event, I shall start for
Richmond by the next train.

Upon the receipt of the
letter, advise accordingly, and send the
telegram, if to you necessary, to me at
"Citadel", Charleston, S.C., by the time
stated above. With many kind wishes,
and warm thanks, I am, gratefully,

Very truly & respectfully,
Yr. cousin,

I respectfully request that you be issued with

privileged of admission to the Camp of our division
in the Town of ... (Col. J. H. Bass, Comd)
I have the honor to be, General,
Very Respectfully,
Your Obedient Servant,

Most of you will see claims to be from
Louisiana - when he wanted when the man
books out - Griffin's father is living in
Texas - so he had from that state - I had
but then some difficulty.

The message was at Bush Bottom
seems to be waiting some attention - but
I think it is usually to come - then
attempt to get me to the service -

Now you can perhaps see and
some of you can see -

Very truly yours

Headquarters Conscript Department.

Columbia, S. C. June 4th 1864.

Col. John S. Preston, Supt. of Conscription.

Colonel: I will leave respectfully to apply for the discharge from service of Private J. E. Harrison, who was assigned from the Camp of Instruction in this State, to Co. B. First Regiment of Engineers, Lt. Col. Talcott, Comd.

The man was enrolled as a Conscript, in Marion District, in February last, having made an issue as to his age which was determined against. On being sent to the Camp of Instruction, he revived the question in application for discharge on Habra Corpus. His discharge being refused him, he was ordered into service and assigned as above indicated.

The case having been carried up to the point of appeal, the original judgment has been reversed at the recent term, and the Court has decreed that he was over 45 years of age at the time he was conscripted and therefore not liable to service.

He is I presume, on this statement of facts entitled to his discharge.

Very Respectfully

Your Most Obedient

In considering the affair
tion of Cadiz Bines &
that of May Gordon I
think neither of them
could have supposed
that the Confederacy
did mean their release
its claim for service
under the Confession
act. Nor can the Secy
even when considered
in reference to the affec-
tion be regarded as ex-
pecting more than a
compliment with their
wishes in that partic-
ular. It is usual in
making such claims
to declare that they
are made without
any allowance &

in endorsements made
by myself, instructions
have been given that
they should be so made

Charleston S.C. November 7th 1863

Mr. Col. A. S. Rivers

Acting Chief of Engineer Bureau
Richmond Va.

Colonel

In answer to your communication dated from the 24th to the 30th of October and which advises from the City that heretofore presented may alluding to, I reply as follows

1st In relation to Mr. Wood, as highly spoken of by you as well as others by Lt Col Talcott and other Officers of the 1st Regiment of Engineer Troops, will specially recommend his appointment, you may present his name to the Secretary of War for appointment as Surgeon 2nd Lieutenant, in that Regiment.

2^d The case of Mr. C. C. Lusk of the 18th & 19th Regiments as previously mentioned by Genl McC Law, seems to present strong points in favor of his promotion, and should be specially considered for an appointment in the Engineer Troops; or, if a place can be found, even in the Corps. The specimen of his topographical work, which is so creditable is herewith returned to the Bureau. I recommend that you inform Mr. Lusk that his case will be carefully considered, when further appointments shall be made.

3^d The relative claims of Captain Peyton Randolph, and Lt W. C. Smith can not now be considered, but must remain over until my return to the Command. As must the case of Lt. J. L. Shead.

60. Mr P J Bassing is well spoken of by his superiors, but nothing can be done until further appointments are made.

70. Mr. Richard Randolph need not be recommended for an Asst. Engineer unless in cases of serious emergency, because indispensable. I cannot endorse for, after the application in the hall of Mr Edward Walker.

75. Upon Enquiry I find that Mr J. M. Healey ought not to be recommended for a position in the Engineers.

80. Mr. R. A. Young is a deserving applicant, but his claims are not equal to those of others now on duty in the Department. I forward however for file a number of papers sent by him to this office. 90. Mr. W. B. Martin has made application some time since for a position in the Engineers has been promoted, as I am officially informed, to a Lieutenant in the Regular Department, and desires to be detailed on Engineer duty. See the Section of War and Ordnance to have Mr. Martin or decide on this matter, to report to Col. Dr. B. Harris Chief Engineer of this Department.

100. The case of Mr. R. W. Boyce is recommended by Colonel Wilton for a Lieutenant in the Engineers, must be over for the present. In reference to the men on the Warrenton Branch, and Trask's Valley Rail Road, I would urge upon you, the necessity of affording every facility for the removal of the iron upon these roads, and trust that your efforts in this respect, and especially on the R. F. & P. R. R. will be successful.

120. The necessity of reconstructing Peore River Bridge and of conveying the iron from the Mississippi Central R. R. should be impressed upon Col. Barnett and Mr. H. H. Allen in view of the fact that these officers to confer with Mr. J. C. Lockhart previous to taking any steps in this

direction

I enclose herewith a letter of Mr. Holmes & Patterson with same

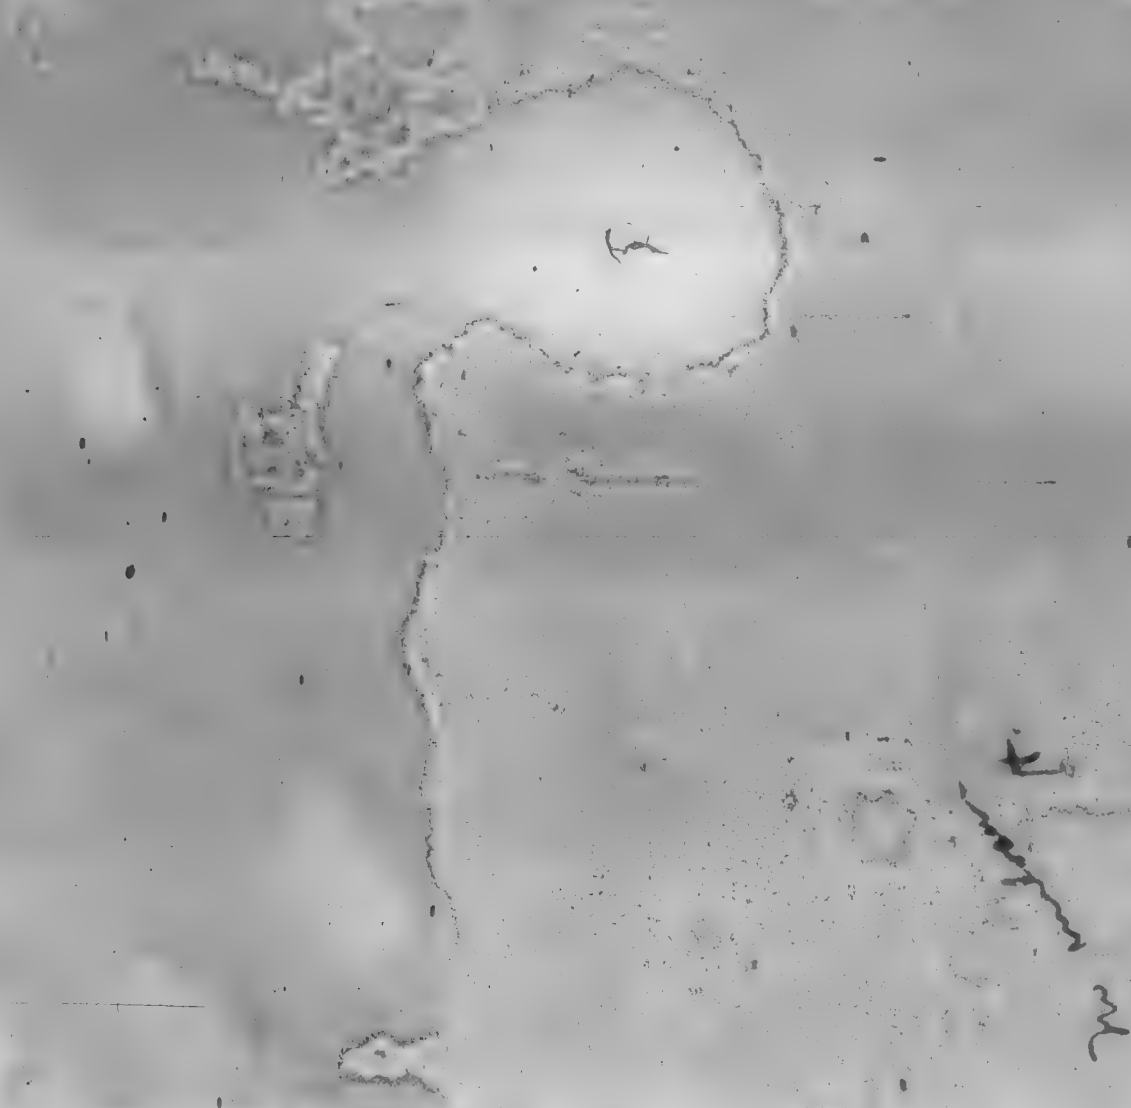

Endorsement

I am, Col. very cordial
